7. EXPLORING MINDS

From the Principal's Desk

Dear Parents, Guardians, Learners and Staff,

Welcome. We Are In Term 3.

In this final and most decisive term of the school year, I want to take a moment to reflect on where we are, and where we are going together.

Term 3 is not just another term. It is a term of purpose, focus and finishing strong. For all our learners, it is a time to consolidate what has been taught, to work hard, and to demonstrate growth. For our examination classes, Grades 7, 9 and 11, this is your defining moment.

To our examination candidates: the journey has prepared you for this hour. The countless lessons, assessments and extra classes have all been building toward this. I urge you to remain disciplined and intentional. Attend every revision class, manage your time wisely, put away distractions, and believe in the work you have put in.

To the parents of our candidates: thank you for your continued support. Please continue to provide a quiet, encouraging environment at home, ensure punctuality, and keep your children motivated. We are with you all the way.

On the matter of discipline, I wish to be very clear. A school thrives on order, respect and shared values. This term and going forward, we will uphold our code of conduct with firmness and fairness. We expect every learner to be in full correct uniform, to be punctual, to respect teachers, support staff and fellow learners, and to take pride in our school property. Good discipline is not punishment. It is character. It is what will carry you beyond the classroom into your future workplaces and communities.

Finally, I wish to address an issue that is close to my heart and of growing concern in our schools and homes: the misuse of social media for mischief-making and cyberbubullying.

Learners, listen carefully. A phone in your hand gives you power, but it also gives you responsibility.

Social media can be used for learning and positive connection, but when used to insult, threaten, spread lies, share embarrassing pictures or videos of others, or create fake accounts to mock a classmate, it becomes a weapon. This is wrong, and it will not be tolerated.

Your words online can cause real pain, anxiety, loneliness and even push a fellow learner into depression. Behind every screen is a real person with real feelings.

I therefore urge every learner:

1. **Think before you post.** If you would not say it face-to-face to someone's parents, do not post it.
2. **Protect your privacy.** Never share personal information, passwords or intimate images.
3. **Do not be a bystander.** If you see cyberbullying happening, do not like, share or laugh. Report it to a teacher, counsellor or parent.

To our parents: I plead with you to partner with us. Please monitor your child's online activity, have open conversations about what they see and do online, and guide them on responsible digital citizenship.

I wish all our learners, especially our examination classes, every success.

Yours in education,

K. Ziyambi

Principal

HEADTEACHER'S DESK

Dear LICEF Parents, Guardians, and our Wonderful Pupils,

It has been such a joy walking into our classrooms and seeing the smiles, the curiosity, and the hard work of our children.

Growing Together with the Cambridge Curriculum

This term we continued to embrace the **Cambridge International Curriculum** in Grades 1–2 for English, Mathematics, Global Perspectives and Science.

At LICEF, Cambridge is helping us do more than "teach subjects." It's helping us grow thinkers.

In class you'll now see:

- **Children asking questions** and exploring ideas together.
- **Hands-on learning** through projects, experiments, and teamwork.
- **Skills for the future** like problem-solving, communication, and creativity.
- **Teachers who are trained and supported** with Cambridge resources to give your child the very best.

We are so proud of how our LICEF learners are rising to the challenge. They are becoming confident, caring, and curious young people.

A Note to Our LICEF Parents

Thank you for partnering with us. This journey is better because you are on it with us.

Here are 3 simple ways to support your child at home:

1. **Read together** – Even 15-20 minutes a day works wonders.
2. **Ask about their day** – "What did you discover today?" instead of "What did you do?"
3. **Cheer the effort** – Mistakes are how we learn. Let's celebrate trying.

Your love and encouragement are the foundation of everything we do at LICEF.

To Our LICEF Stars

To our amazing pupils: I see you. I am proud of you. Keep being brave. Keep asking "why". Keep helping your friends.

You are not just learning for exams— you are learning to become leaders who will make our world better.

Let's finish this term strong, with kindness, respect, and lots of LICEF spirit.

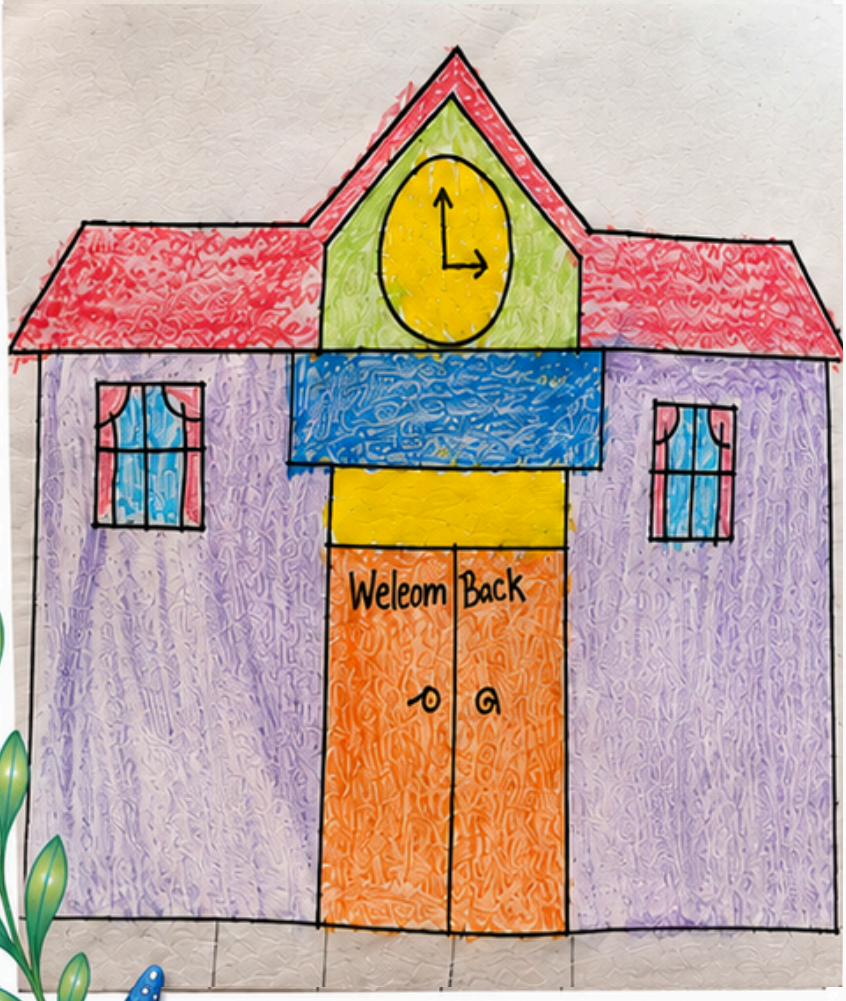

Coming up this term are;

- Nursery 2 Graduation on the **4th November, 2026** and
- Grade Two Farewell Assembly on the **11th November, 2026.**

With love and gratitude,

Chishimba Chansa Mazokera
Headteacher
LICEF School Foundation/Lower Primary

Daily School Life G2p4 Khadijah Adam.
Every day after waking up, I go to School.
I wear my uniform and eat a quick breakfast.
My school is not far, So I am in School at the right time. In class, We Study diffrent Subjects like math and English. I have friends at school, and we play together during breaks. After School, I do my home work and play with my toys. I like going to School because I lern newthings and have fun with my friends.

THE IMPORTANCE OF EDUCATION

OPENS NEW WORLDS

Education helps us discover new ideas, places and possibilities.

BUILDS CONFIDENCE

It helps us believe in ourselves, develop our talents, and achieve our dreams.

CREATES OPPORTUNITIES

Education opens doors to a brighter future and many exciting opportunities.

MAKES A POSITIVE DIFFERENCE

It empowers us to make good choices and contribute to the world.

LIGHTS THE WAY FORWARD

Education guides us through challenges and leads us to a brighter future.

"Knowledge is a light that guides the heart, enriches the mind, and brings one closer to Allah." (Inspired by Islamic teachings)

INFANTS SPORTS EVENT 2026

On behalf of the Sports Committee at LICEF Malata, we would like to extend our sincere gratitude to our parents, learners, teachers, support staff, and our Head for your dedication, enthusiasm, and unwavering support during the **Infants Sports Event 2026**. Your teamwork, encouragement, and sportsmanship made the event a wonderful success. **We are proud of every child** who participated. To all our learners, remember that every race is an opportunity to learn and grow. **Never give up, always do your best, and enjoy sports as a healthy and enjoyable part of your life.** We look forward to many more successful sporting events together.

P.E Teacher,
Coach Penelope Kashimoto

The Annual Science Fair 2026

Highlights of Our 2026 Science Fair

Our 2026 Science Fair was a wonderful success, showcasing the creativity, hard work, and scientific thinking of our learners. Each project was carefully prepared, neatly presented, and confidently explained to the judges.

🏆 Congratulations to our Joint Overall Winners,

Ali Bora (N2P4) for "What Sinks and What Floats, and Why?"
and
Muhammed Ughradar (N2P4) for "Floating Egg."
Their outstanding projects and confident presentations earned them top honours.

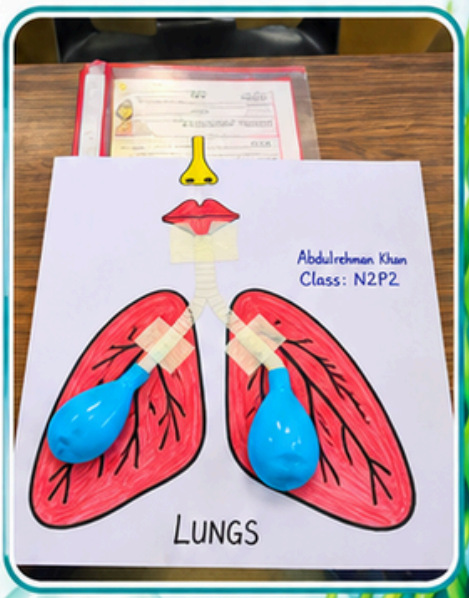

❤️ We extend our sincere appreciation to our teachers for their guidance and dedication, and to our parents for their continued support and encouragement. Together, you made the 2026 Science Fair a memorable and inspiring event.

Thank you
Mrs. Esther Banda Nguyeneza
Science Fair Chairperson

CELEBRATING OUR TEACHERS.

At our school, teachers are like our second parents.
In the morning, they greet us with smiles.
In class they help us read new books, write neat sentences, and they teach as how to use computers.
During break time, they teach us to share with friends and to be helpful to each other.
Every day we learn something new.
We are so lucky to have teachers who care for us.
Thank you, teachers! We love you.

Bushra Pandor.

Earth

Earth is Our big home,
It is round like a ball,
We see blue seas and green land.
How animals live on Earth,
People build houses and schools here,
Trees give us air to breathe,
water helps Plants to grow,
we Must take Care of Earth

Yousef Essam GBIP3

How I spend my Holidays

Aqsa Iqbal

1. Holidays are always welcome. I wait eagerly for sunday and other holidays. I feel tired with my classes and lessons at school.
Holidays give me rest and relief.
2. on holidays, I get up as usual. After taking my breakfast, I sit for study. At about 10 a.m. I watch some of my favourite program-
I spend my all day Home.

Our Future Leaders

My favourate Colour story

Red Pink golden gray

Red Was the bold one. this is bright Colour. My blood is red Colour.

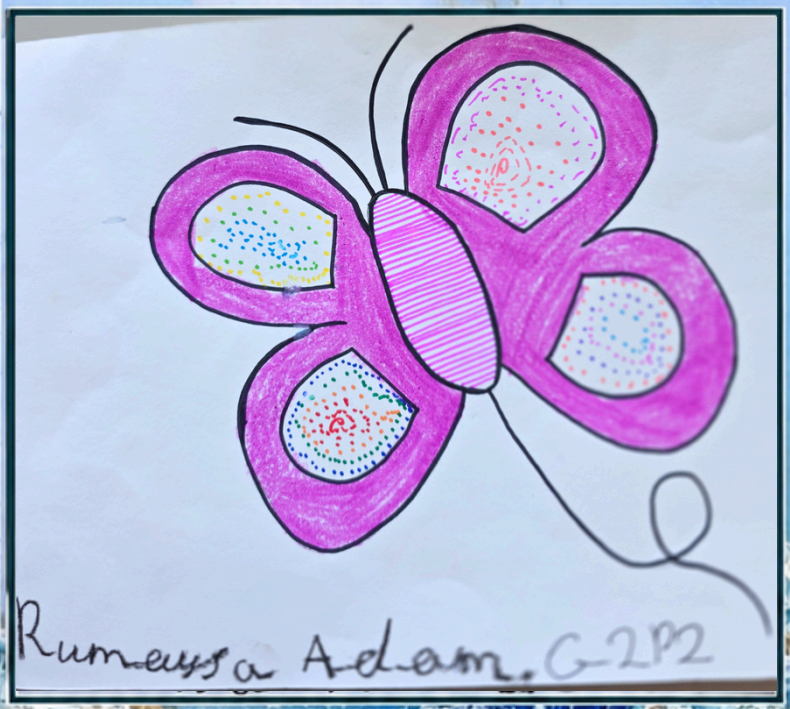

Pink Was soft Colour. I like Pink Colour. My bed is Pink Colour.

golden Was royal. jewelry is gold colour. So I like this gold colour.

gray was calm. this colour is light elephant colour is gray.

Pratheeksha Velu

Rumeysa Adam. G2P2

Animals in the Quran: Lion

Some amazing facts about this creature:

1. Lions are the only cats that live in groups! A group of lions is called a "pride" and it can have up to 30 lions in it.
2. Lions can sleep for up to 20 hours a day to save energy for hunting.
3. Lions are really loud! Their roar can be heard up to five miles away.
4. Lionesses (female lions) do most of the hunting. They usually hunt in teams, while the males protect the pride.
5. Lions run up to 50 miles per hour but only for a short time.

Faatimah Zahraa Suleman. G2P3.

Aaliyah Umerji G2P4

My favorite fruit.

My Favourite Fruit is strawberry. It is my Favorite colour which is red. Strawberries are sweet and sometimes sour thats why they are my favourite. If you put chocolate on it it will taste so much better. they are the only fruit with seeds out side strawberries are the best fruit in the world.

Exploring Minds

Riddles

1. What has cities, but no houses; forests, but no trees; and rivers, but no water?

2. What can run but never walks, has a mouth but never talks, has a head but never weeps, and a bed but never sleeps?

3. What can travel all around the world while staying in the very same corner?

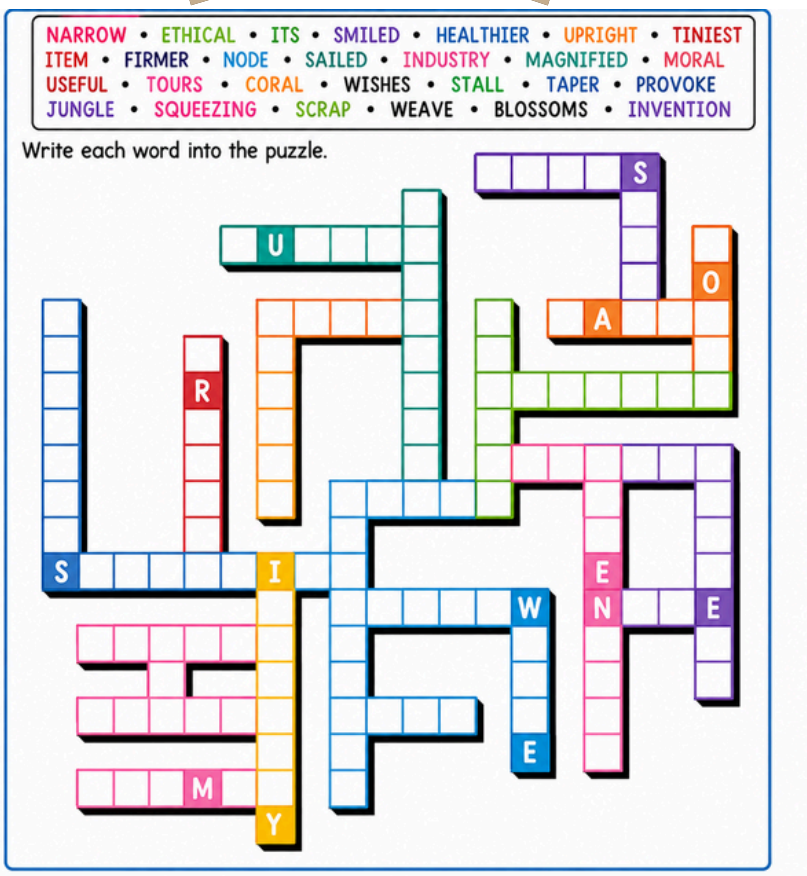

4. I can be ice, water, or steam. I change when I am heated or cooled. What am I?

5. I speak without a mouth and hear without ears. I have no physical body, but I come alive with the wind. What am I?

Word Puzzle

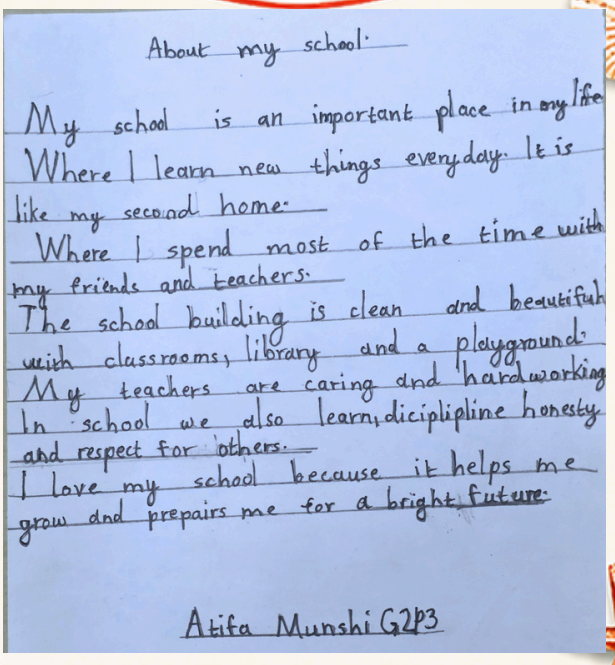

NARROW • ETHICAL • ITS • SMILED • HEALTHIER • UPRIGHT • TINIEST
ITEM • FIRMER • NODE • SAILED • INDUSTRY • MAGNIFIED • MORAL
USEFUL • TOURS • CORAL • WISHES • STALL • TAPER • PROVOKE
JUNGLE • SQUEEZING • SCRAP • WEAVE • BLOSSOMS • INVENTION

Write each word into the puzzle.

From The The Newsletter Committee

As we reach the end of this edition, we hope you have enjoyed diving into the wonderful memories and achievements shared throughout these pages. Like the treasures beneath the sea, every success reflects the hard work, creativity, and teamwork of our LICEF family.

About my school.

My school is an important place in my life. Where I learn new things everyday. It is like my second home.

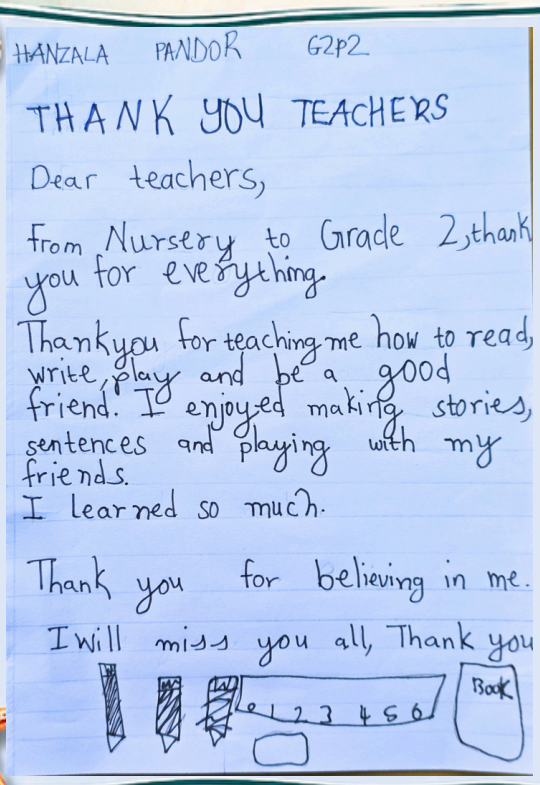

Where I spend most of the time with my friends and teachers.

The school building is clean and beautiful with classrooms, library and a playground.

My teachers are caring and hardworking. In school we also learn, diciplipline honesty and respect for others.

I love my school because it helps me grow and prepairs me for a bright future.

THANK YOU TEACHERS

Dear teachers,

From Nursery to Grade 2, thank you for everything.

Thankyou for teaching me how to read, write, play and be a good friend. I enjoyed making stories, sentences and playing with my friends.
I learned so much.

Thank you for believing in me.

I will miss you all, Thank you

Thank you to our dedicated teachers, supportive parents, hardworking staff, and amazing learners for making every school day an adventure filled with discovery, growth, and joy. Together, we continue to create waves of excellence and inspire one another to reach new depths Insha'Allah.

Until then, keep exploring, keep learning, and keep making waves!

From the LICEF School Newsletter Committee, thank you for reading.

Safe sailing, and see you in the next edition! إن شاء الله
